

Attendees: Ralph Starkey, Mike Urquhart, John Babyak, Dick Schwinger, Howard Taylor, Tom Tarpley, Clarence Moody, Jim Beisler, Ted Ifft, Carl Lazar, Charlie Fieldhouse, Jim Wilcox, Pete Sorge, Tom Taylor, Byron Keadle, Bob Turner, Dick Crone, Lloyd Stimson and C.J Myers.

President – Ralph started the meeting by asking for a few moments of silent prayer in remembrance of 9/11 and the people that lost their lives.

Secretary's Report – The minutes of the march 20, 2012 MISGA Board Meeting were read. A motion was made and seconded to accept the minutes as read. The minutes were accepted.

Treasurer's Report – Dick Schwinger reported that we have a balance of \$41,011.62 with all bills paid. If you have your mileage forms, you can give them to me or send them to me. Except for Bert Bigelow, all of the Budget T... have been distributed for 2012. He sent the excess budget for the ABCD Tournament to the appropriate people. There was a correction to the report in the reference to the tournament at Norbeck. There was a question about the \$5000 that Merle Shoemaker donated. The interest on that amount is used for prizes. The Treasurer's Report, as corrected, was approved.

Division Director's Reports

Division I – Howard Taylor said Shawnee is operating with a full schedule.

Division II – Tom Tarpley reported that VFW is no longer a part of our organization. We have 16 clubs and 720 associates. Some of our clubs travel well, our club does not. There has been no reaction to women playing in MISGA. Tom Taylor will discuss the site selection for next years Summer Fling. Tom Taylor said that the attendance was down this year to 43 players, that's down from 56. We have five venues that have sent us information and another on the way. They are Heritage Hills in PA., Blue Ridge Shadows Resort in VA., Luray Caverns also in VA., Penn National in PA, Wintergreen Resort in VA. and Stonewall Resort in WVA.

Division III – Bert Bigelow submitted a report. Div I and III had a 2-man qualifier at Caroline C.C. and the ABCD Finals were at Talbot C.C. Female associates in MISGA continues to be a topic in Div III. Some male associates will not play if women play. They have made suggestions; male only organization, same tees for all associates, no handicaps over 36.

Division IV – Div IV had a successful year. We had 76 players in the ABCD Qualifier and 78 in the two-man team event. We had a good Pro-am at Leisure World with 13 teams. Many clubs in the division are experimenting with the Forward Tee Initiative. Some of the clubs allow participants to choose from two sets of tees. We have lost a club in Div IV, Lakewood is dropping out. Bob Turner said that that decision is not finalized. Montgomery Village has filed for bankruptcy but it's a procedural thing between two owners. They expect to be open next year.

Division V – Jim Beisler said that participation in mixers is down and they had to cancel their 2-man event because there was no interest. Rick Fisker sent a proposal to partially integrate activities between the Eastern Shore Divisions. The Eastern Shore clubs have lost more members than the Western Shore.

Division VI – We have a new club, Compass Pointe. We're getting fairly good participation. Ted Ifft will complete his time on the Board in the Fall. Carl Lazar will be the new Director. Ft. Meade will be out of MISGA next year. There is some concern about women in MISGA. Four or five clubs may drop out because of this.

Committee Chairmen Reports

Associates – Charlie Fieldhouse submitted a report via e-mail. Paul Kaiser, a past president, has left his club.

Auditor – Jim Wilcox submitted a report. The ABCD Tournament was held at Talbot C.C. and all expenditures were supported by receipts, checks or notes. The reports for the Spring Fling and the 2-man team event are in process.

Counsel – We still do not have someone to fill this position.

Events – Pete Sorge said that we are going to Little River and Fripp Island. He still has room at both locations. He has about fifty people going to each location. There are four board members going to each location. We may only have one event next year. There is a separate group, including many from the Eastern Shore, that goes to Virginia Beach every year. Charlie suggested that we sponsor that trip as a MISGA event.

Membership – No Report.

Misgram – The Misgram will be published in the next few days and will include pictures from this event.

Planning – The only thing that we did was to do some editing assistance to Charlie when he was re-doing the Club Rep handbook. Charlie suggested that the handbook only be on 8 ½ X 11 pages only. Tom Tarpley proposed that he could purchase something other than a plaque for an award. A motion was made and approved.

Rules and Handicap – Dick Crone said that at the ABCD Tournament we had about 90% of scores posted. 27 of 28 winners posted. Of the 88 scores, 80 posted.

Tournament Chairman – Lloyd Stimson said that we cut the participants to 100 at each event and it did reduce the playing time. He proposed that we have equal shares of prize money to net and gross in the two-man team event. Currently it is 80-20. We would do it under New Business. A second proposal is we rotate the two tournaments between the six divisions and that the Tournament Chairman be allowed to select the highest quality club within a reasonable distance of the Bay Bridge. He would like one tournament on the Eastern shore and the other on the Western shore. It was agreed that the Tournament Chairman have that option. Every year someone drops out of a tournament and cannot get a substitute. He wondered why that was so. It was agreed to let the current policy to stand.

Old Business

Tee it Forward – Mike Urquhart wanted some feedback on the concept. Some people like it some don't.

None.

New Business

Reps Handbook – Ralph said that we need to vote on the changes to the Rep's Handbook. A motion was made and the motion was approved.

Two-man Team Prize Money – A motion to allow a 50-50 split of prize money between net and gross was made and approved.

Women in MISGA – A discussion was held.

Food at Mixers – It was pointed out that at a mixer, the only meat offered was barbequed pork. This was not good for some members. One member said that under certain circumstances, he requests an alternate meal and is accommodated. Most clubs will do that.

Next Meeting – The next meeting will be on December 4th at Caroline C.C.

Holiday Luncheon – It will be held at Manor C.C. on Wednesday December 12th.

Wrap-up – The meeting was adjourned.

**DIVISION II DIRECTORS REPORT
BOARD MEETING at CARROLL VALLEY
SEPTEMBER 11,2012**

Our Division shows little change over the years. As reported, previously The VFW is no longer in our organization.

We have 16 clubs with 720 Associates. Some clubs travel well and are a host club's dream. Other clubs, like mine, are a nightmare.

Beaver Creek hosted the Two-Man Tournament and The PP/ABCD was at Challedon.

Hunt Valley hosted the Pro-Am in July and has been selected to repeat as host next year.

Beaver Creek won a Round Robin with 5 clubs participating.

There has been no adverse (significant) reaction to women joining or playing.

Tom Taylor will address the site selection for next years Summer Fling.

We again look forward to growth and offer thanks to "The Board" and to "The Reps." for keeping us a viable golf entity.

Respectfully submitted,

Tom Tarpley, Director

Division III Report

1. Division I and III held its 2-man qualifier at Caroline Country Club on July 23, 2012. There were 44 players (22 teams) that competed. We continue to experience relatively small numbers at these qualifiers.
2. The ABCD finals were held at Talbot Country Club on August 14, 2012.
3. We will have a new Club President for Prospect Bay. The undersigned is resigning as President; elections will be held on October 16, 2012 at our closing meeting.
4. Female associates continue to be a topic of discussion throughout Division III. I anticipate their participation in mixers in the years to come to have a negative impact on participation by our male associates. I have heard there have been incidents whereby male associates have refused to play if there were female associates in the field. Several members throughout Division III have made suggestions as to how they would like the issue dealt with.
 - A. Male only organization.
 - B. All MISGA associates play from the same tees. Period.!!!
 - C. Any MISGA associate with a handicap higher than 36 is NOT eligible to play at away mixers. MISGA mixers are not conducive to teaching members HOW to play golf.
 - D. Clubs may establish a policy whereby it is mandatory to pick up when you have reached your maximum number of strokes, unless your score is going to count for the team. I personally like this. I am tired of watching members do "Villegas" imitations or "plum bobbing" when they are putting for a 12.

These "suggestions" would also help in addressing the continuing problem of SLOW Play. Groups finishing 1 hour or later after most of the field has completed play makes no sense.

If this topic is not discussed at the Sept 11 meeting, then I would hope it is on the agenda for the December Director's meeting.

Respectfully submitted.

Bert Bigelow, Division III Director

Division VI Director's Report

Carroll Valley Board Meeting - September 11, 2012

Division VI has a new club approved this year. It is Compass Pointe and has been a very active club this year. They are scheduled to host our Division VI Club Reps meeting in November.

Division VI held our 2-Man Team qualifier at Walden on June 25th and our ABCD qualifier at Cross Creek on July 9th.

Ted Ifft, the current Division VI Director will complete his term at this Board Meeting. Carl Lazar will be the incoming Division Director and our new Assistant Division Director will be elected at our November Club Reps Meeting.

Ft. Meade has lost their golf course to the construction of new buildings on the Base. They stayed in MISGA this year and attended away Mixers. Many of their members have moved to other MISGA Clubs and they will not be a MISGA Club in 2013.

There has been some concern of the current policy to have woman as MISGA Associates with their participation in MISGA Mixers. It is not clear if this will just be a concern or if some clubs will withdraw their MISGA membership.

MISGA BOARD OF DIRECTORS MEETING
Carroll Valley, PA - Tuesday - September 11, 2012

MISGA Tournament Chairman's Report

1. 2012 MISGA Championship Tournaments

At the December 6, 2011 BoD meeting, the Board voted to reduce the size of the playing fields for both the MCTs: Past Presidents {ABCD} (128 finalists to 100) and the 2-Man Team (64 teams to 50). The purpose for this reduction was an attempt to reduce the length of the playing time for the two tournaments. The table below compares the 2011 and 2012 playing times for each tournament - "Mission Accomplished"

Tournament	2011	2012
Past Presidents (ABCD)	5 $\frac{1}{4}$ - 5 $\frac{3}{4}$ hrs. (112 finalists)	4 $\frac{1}{2}$ - 5 $\frac{1}{4}$ hrs. (100 finalists)
2-Man Team	5 $\frac{1}{4}$ - 5 $\frac{3}{4}$ hrs. (58 teams)	4 $\frac{3}{4}$ - 5 $\frac{1}{2}$ hrs. (50 teams)

2. Proposals

- a. **2-Man Team** - Award an equal 50% share of the prize pool to both the net and gross winners. Current distribution is 80% to net winners and 20% to gross winners. Presently, the ABCD tournament is a 50%-50% distribution split.
- b. Rescind the requirement that the two MCTs be rotated among the six MISGA divisions. Permit the MTC to select the highest quality course available within a reasonable driving distance from the Bay Bridge. This will maximize the MTC's flexibility when selecting host MCT clubs. The requirement is not in the MISGA By-Laws, only the *MISGA Tournament Guidelines (MTG)*.
- c. The current *MTG* prohibits a "substitute" for a **2-Man Team** teammate who has dropped out or has been declared ineligible. The rationale for the "no substitute" requirement is not readily apparent; hence, I believe consideration for its discontinuance be

discussed and voted upon by the Board. This requirement is not in the MISGA By-Laws, only the *MTG*.

3. *Guidance Requested:*

A request has been received from Patrick Normyle of Rattlewood GC to have the retired Past Presidents (ABCD) *Net Championship Bowl* donated to Rattlewood GC for display in its trophy case. Normyle is the 2010 Net Champion and is the last net champion's name engraved on the Bowl. My personal visit to Rattlewood (at a MISGA mixer) revealed the club does not have an actual trophy case. The bowl would be displayed on a merchandise display shelf in the pro shop (as shown to me by a RGC MISGA asst. club rep). What is the Board's recommendation regarding this request?
