NOTICE

Due to the large number of pictures resulting from the Fall Frolics, only the pictures from Jekyll Island will be included in this issue. Pictures for Seabrook Island were published in the December 2011 MISGAGRAM.

The following Fall Frolics Report is repeated to accompany the Jekyll Island portion, which was not published in the December MISGAGRAM.

MISGA 2011 FALL FROLICS

Jekyll Island: We played two of the three eighteen-hole courses on the island. The Pine Lakes & Oleander courses were very well maintained and proved to be somewhat easier for our golfers than the windier courses at Seabrook. The golf staff was very helpful and provided a great atmosphere. The villas were nice and a great improvement compared to our last visit to Jekyll. The food was catered and served by pleasant staff on formal place settings. Bingo was played on two nights and as always was well received.

I would like to thank everyone who provided assistance in making the Fall Frolics a success. They did an excellent job! Also, I want to thank Robin Woollatt & Howard Taylor for their coordinating the Bingo events at each respective venue and Bill & Mary Rapson for picking up the Bingo equipment and name tags. Also, thanks to Sandy Ross for his assistance at both venues. Special thanks to Ralph and Zelma Harms who assisted with the handicap pairings, blind draws, score card auditing, & prize money distribution. Also, I want to thank my wife, Susan, for coordinating the non-golfing ladies' tours & luncheons. None of these events can be successful without assistance. Thanks to Byron Keadle for the photos at Seabrook and Larry & Rae Bathgate at Jekyll. Pictures will be available on the MISGA web site & one of our MISGA reps, Greg Morris, a first timer, took some great pictures @ Jekyll Island - view them at the following site: Click [HERE](#).

Both outings were a success even though attendance was down compared to previous years. The weather was perfect with no rain and generally warm weather. The last day at Jekyll Island the temperature approached the high seventies. **First time attendees:** We had a few first time attendees at both venues and hope they will join us in the future. Please note that dinner is usually at 7:00 or 7:30 PM. The reason we don't eat earlier is due to possible frost or rain delays, which are unpredictable! Also, after golf is completed we need time to gather the scorecards and audit them for accuracy.

Anyone who would like to provide comments regarding these trips or suggest future venues can do so by e-mail (pete233@verizon.net). It is our hope that all of the attendees will spread the word and urge others to attend the 2012 outing(s).
